MEMBER'S EVENTS

Mums@Work supports MASTERCARD Relaunch Your Career 2019

Deadline Thursday, 23 August 2019
Organised by Mums@Work

Relaunch your Career is Mastercard's global return to work program. It's designed to enable experienced individuals like you, who were mid-career professionals before taking a career break. We know that transitioning back into the workforce isn't a sprint, it's a marathon. This program provides returners with a range of resources to support you every step of the way, because work experience means nothing without life experience.

As a returner, you can expect to be fully immersed into the organization. From the start you will have the opportunity to work on key projects and initiatives, enabling you to build on your skills and previous experience. You will receive on-the-job training, coaching, and several opportunities to learn about the business, while you develop new and existing skills.

Sooner Than You Think

Wednesday, 5 September 2019
Organised by Bloomberg Live

Be ready for the imminently possible.

Artificial intelligence, once considered the stuff of science fiction, is increasingly influencing our daily lives. Companies and governments are investing heavily in AI-related technologies, which could unlock up to US\$15.4 trillion in annual business value worldwide. The potential is limitless. So are the consequences.

Female Entrepreneurs Day

Friday, 20 September & Saturday, 21 September 2019

Organised by Female Entrepreneurs Worldwide

Female Entrepreneurs Day (FED) is the annual event of FEW. The past FED took place in Hong Kong, Shanghai and Shenzhen that attracted over 1,000+ new generation entrepreneurs, business elite and corporate leaders from different cities and countries. FED aims to give tangible support to female-led businesses. The concept this year is to create the biggest business warming party where we bring together potential customers, business partners and help explore cross-border trade. The FEW e-mall will support and help sell products and services particularly to the China market.
