Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Singapore Council of Women's Organisations (the "Association") set out on pages 6 to 39, which comprise the statement of financial position (balance sheet) as at 31 January 2021, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Societies Act, Cap. 311, the Charities Act, Cap. 37 and other relevant regulations (the Charities Act and Regulations) [collectively the "Acts"] and Financial Reporting Standards in Singapore ("FRSs") so as to present fairly, in all material respects, the state of affairs of the Association as at 31 January 2021 and the results, changes in funds and cash flows of the Association for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the *Accounting and Corporate Regulatory Authority Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in the Corporate Information and Statement by the SCWO Board set out on pages 1 and 2 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and SCWO Board for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Acts and FRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The SCWO Board is responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the SCWO Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required to be kept by the Association have been properly kept in accordance with the provisions of the Acts.

During the financial year, the Association did not conduct any fund-raising appeal for which proper accounts and other records of fund-raising appeal are required to be maintained in accordance with Regulation 6 of the Societies Regulations issued under the Societies Act.

Report on Other Legal and Regulatory Requirements

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

- (i) the use of the donation moneys was not in accordance with the objectives of the Association as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (ii) the Association has not complied with the requirements of Regulation 15 (Fund-raising expenses) of the Charities (Institutions of a Public Character) Regulations.

SINGAPORE COUNCIL OF WOMEN'S ORGANISATIONS

NOTES TO THE FINANCIAL STATEMENTS - 31 January 2021

The following notes form an integral part of and should be read in conjunction with the financial statements.

1. GENERAL INFORMATION

The Singapore Council of Women's Organisations ("SCWO" or the "Association"), an association registered under the Societies Act, Cap. 311, is domiciled in the Republic of Singapore. It operates two charities, namely the SCWO - Service Fund (note 21) and SCWO - Star Shelter (note 23) which are registered under the Charities Act, Cap. 37. Its registered office is located at 96 Waterloo Street Singapore 187967.

The Association is the national coordinating body of women's organisations in Singapore. Incorporated in March 1980, it seeks to unite the various women's organisations, clubs, committees, groups and women leaders together, working in accordance with its various aims and objectives. It also serves to coordinate these associations into a national movement and to act on their behalf in matters for which it is authorised by its members. It seeks to promote the ideals of "Equal Space, Equal Voice and Equal Worth" for women in Singapore.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation

The Association presents its financial statements in Singapore dollars ("S\$"), which is also its functional currency.

These financial statements are prepared in accordance with the historical cost convention except as disclosed in the accounting policies below, and comply with Singapore Financial Reporting Standards ("FRSs"), including related Interpretations promulgated by the Accounting Standards Council.

During the financial year, the Association adopted all the applicable new/revised FRSs which are effective on or after 1 February 2020. The adoption of these Standards did not have any material effect on the Association's financial statements and did not result in substantial changes to the Association's accounting policies.

2.2 Significant Accounting Estimates and Judgments

Estimates, assumptions concerning the future and judgments are made in the preparation of the financial statements. They affect the application of the Association's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an ongoing basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances.

2.2.1 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(i) *Depreciation on property, plant and equipment*

The costs of property, plant and equipment are depreciated on a straight-line basis over their estimated useful lives. Management's estimates of the useful lives of these property, plant and equipment are disclosed in note 2.8. Changes in the expected usage and technological developments could impact the economic useful lives and the residual values of these assets. Therefore, future depreciation charges could be revised. The carrying amount of property, plant and equipment and the depreciation charge for the year are disclosed in note 13 to the financial statements.

SINGAPORE COUNCIL OF WOMEN'S ORGANISATIONS

2. SIGNIFICANT ACCOUNTING POLICIES

2.2 Significant Accounting Estimates and Judgments (continued)

2.2.1 Key sources of estimation uncertainty (continued)

(ii) *Leases – Estimating the Incremental Borrowing Rate*

The Association cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate to measure lease liabilities. The incremental borrowing rate is the rate of interest that the Association would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The incremental borrowing rate therefore reflects what the Association 'would have to pay', which requires estimation when no observable rates are available or when they need to be adjusted to reflect the terms and conditions of the lease. The Association estimates the incremental borrowing rate using observable inputs (such as market interest rates) when available and is required to make certain entity-specific estimates.

(iii) *Expected Credit Losses on Receivables*

Expected credit losses ("ECLs") are probability-weighted estimates of credit losses over the life of a financial instrument. In estimating ECLs to determine the probability of default of its debtors, the Association has used historical information, such as past credit loss experience. Where applicable, historical data are adjusted to reflect the effects of current conditions based on observable market information, which involved significant estimates and judgement.

Based on the management's assessment, there are no ECLs on the Association's receivables as at balance sheet date.

2.2.2 Critical judgments made in applying accounting policies

In the process of applying the Association's accounting policies, the management has made certain judgments, apart from those involving estimations, which have significant effect on the amounts recognised in the financial statements.

Impairment of non-financial assets

The carrying amounts of the Association's non-financial assets subject to impairment are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such indication exists, the asset's recoverable amount is estimated based on the higher of the value in use and the asset's fair value less cost of disposal. Estimating the value in use requires the Association to make an estimate of the expected future cash flows from the continuing use of the assets and also to choose a suitable discount rate in order to calculate the present value of those cash flows.

2.3 FRSs issued but not yet effective

The Association has not applied any new FRS that has been issued as at the balance sheet date but is not yet effective.

The management does not anticipate the adoption of the new FRS in future financial periods to have any material impact on the financial statements in the period of initial application.

2.4 Revenue Recognition

Revenue is measured based on the consideration to which the Association expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

SINGAPORE COUNCIL OF WOMEN'S ORGANISATIONS

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.4 Revenue Recognition (continued)

Revenue is recognised when the Association satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or overtime. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

- (i) Government grants are recognised as income when there is reasonable assurance that the conditions attached to the grants will be complied and the grants will be received.
- (ii) Donations and sponsorship income are recognised in profit or loss upon receipt. Donations and contributions received in connection with events held are matched against the respective event expenditure.
- (iii) Membership subscriptions are recognised when due and received.
- (iv) Income from thriftshop is recognised at a point in time upon the transfer of rewards of ownership of the goods to the customer, which generally coincides with the delivery and acceptance of the goods sold.
- (v) Fees for courses/events are recognised at a point in time when services are rendered/consumed.
- (vi) Interest income is recognised on a time-proportion basis, using the effective interest method, unless collectibility is in doubt.

2.5 Fund Accounting

Monies received for specific purposes are credited directly to the respective fund accounts. Income and expenditure relating to specific funds are accounted for directly in the funds to which they relate. Assets and liabilities of the specific funds are pooled in the balance sheet.

2.6 Income Taxes

Income tax on the profit or loss for the year comprises current and deferred tax. Income tax is recognised in profit or loss except to the extent that it relates to items recognised outside profit or loss, in which case, it is recognised in other comprehensive income.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred income tax is provided, using the balance sheet liability method, on all temporary differences at the balance sheet date arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Currently enacted tax rates are used in the determination of deferred income tax.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

Deferred tax is charged or credited to other comprehensive income if the tax relates to items that are credited or charged, in the same or a different period, to other comprehensive income.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.7 Employee Benefits

(i) *Defined Contribution Plans*

The Association makes contributions to the state provident fund (Central Provident Fund). Such contributions are recognised as compensation expense in the same period as the employment that gives rise to the contributions.

(ii) *Short-term Compensated Absences*

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for employee entitlements to annual leave as a result of services rendered by employees up to the balance sheet date.

2.8 Property, Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of property, plant and equipment is recognised as an asset when it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliably.

Property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any.

Any estimated costs of dismantling and removing the property, plant and equipment and reinstating the site to its original condition (reinstatement costs) are capitalised as part of the cost of the property, plant and equipment.

Depreciation is calculated on the straight line basis so as to write off the cost, less the residual value, of the assets over their estimated useful lives. The annual rates of depreciation are as follows:

Leasehold property	over a period of 30 years expiring on 17 July 2027
Leasehold property improvements	16 years
Office equipment, furniture and fittings	10 years
Office renovation	3 years
Computers	3 years
Air-conditioners	3 years

Fully depreciated assets are retained in the financial statements until they are no longer in use.

The residual values, useful lives and depreciation methods of property, plant and equipment are reviewed and adjusted as appropriate, at each financial year-end.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item, and shall be included in profit or loss when the item is derecognised.

2.9 Impairment of Non-Financial Assets

The carrying amounts of the Association's non-financial assets subject to impairment are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less cost of disposal and its value in use. The value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life.

SINGAPORE COUNCIL OF WOMEN'S ORGANISATIONS

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.9 Impairment of Non-Financial Assets (continued)

An impairment loss on a non-revalued asset is recognised in profit or loss. An impairment loss on a revalued asset is recognised in other comprehensive income to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same asset. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount or when there is an indication that the impairment loss recognised for the asset no longer exists or decreases. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised.

2.10 Financial Assets

Financial assets are recognised on the balance sheet when the Association becomes a contractual party to the contractual provisions of the financial instrument.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Association has transferred substantially all risks and rewards of ownership.

Financial assets are classified into the following measurement categories:

- Amortised cost;
- Fair value through other comprehensive income ("FVOCI"); and
- Fair value through profit or loss ("FVPL").

The basis of classification depends on the Association's business model and the contractual cash flow characteristics of the financial assets.

At initial recognition

At initial recognition, the Association measures a financial asset at its fair value plus, in the case of a financial asset not at FVPL, transaction costs that are directly attributable to the acquisition of the financial assets. Transaction costs of financial assets carried at FVPL are expensed in profit or loss. Receivables that do not have a significant financing component are measured at their transaction price at initial recognition.

At subsequent measurement

The Association's financial assets comprising receivables, bank deposits and cash and cash equivalents, are measured at amortised cost subsequent to initial recognition, as these are contractual cash flows which represent solely payments of principal and interest. A gain or loss on a financial asset that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets are recognised using the effective interest rate method.

Impairment of Financial Assets

The Association assesses on forward-looking basis the expected credit losses associated with its debt instruments carried at amortised cost, and recognises a loss allowance accordingly.

At each reporting date, the debt instruments are assessed to determine whether there is significant increase in credit risk since initial recognition. If there is a significant increase in credit risk since initial recognition, lifetime expected credit losses will be calculated and recognised in the loss allowance. If credit risk on the debt instrument has not increased significantly since initial recognition, the loss allowance is measured based on 12-month expected credit losses. Adjustments to the loss allowance are recognised in profit or loss as an impairment gain or loss.

For receivables, the Association applies the simplified approach permitted by FRS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

SINGAPORE COUNCIL OF WOMEN'S ORGANISATIONS

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.11 Receivables

Receivables that do not have a significant financing component are measured at their transaction price at initial recognition, and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses, as explained in note 2.10. Receivables with a short duration are not discounted.

2.12 Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and cash with banks that are subject to insignificant risks of changes in value. Cash equivalents are stated at amounts at which they are convertible into cash. Fixed deposits with original maturities over 3 months are excluded from cash and cash equivalents.

2.13 Financial liabilities

Financial liabilities included payables and lease liabilities.

Financial liabilities are recognised on the balance sheet when the Association becomes a party to the contractual provisions of the financial instrument.

Financial liabilities are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method. Financial liabilities with a short duration are not discounted.

A financial liability is derecognised when the obligation under the liability is extinguished. For financial liabilities other than derivatives, gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

2.14 Provisions

Provisions are recognised when the Association has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made.

2.15 Leases

The Association assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As lessee

The Association applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Association recognises lease liabilities representing the obligations to make lease payments and right-of-use assets representing the right to use the underlying leased assets.

(a) *Right-of-use assets*

The Association recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Association at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in note 2.9.

SINGAPORE COUNCIL OF WOMEN'S ORGANISATIONS

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

2.15 Leases (continued)

As lessee (continued)

(b) *Lease liabilities*

At the commencement date of the lease, the Association recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Association and payments of penalties for terminating the lease, if the lease term reflects the Association exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Association uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(c) *Short-term leases and leases of low-value assets*

The Association applies the short-term lease recognition exemption to its short-term leases (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to rental of assets that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

As lessor

Leases in which the Association does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising from operating leases on the Association's property, plant and equipment is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

2.16 Related Parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Association if that person:
 - (i) Has control or joint control over the Association;
 - (ii) Has significant influence over the Association; or
 - (iii) Is a member of the key management personnel of the Association.

2.16 Related Parties (continued)

- (b) An entity is related to the Association if any of the following conditions applies:
- (i) The entity and the Association are members of the same group (which means that each parent, subsidiary and fellow subsidiary are related to each other).
 - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
 - (iii) Both entities are joint ventures of the same third party.
 - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) The entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association.
 - (vi) The entity is controlled or jointly controlled by a person identified in (a).
 - (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).
 - (viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the Association.

* The Bicentennial Community Fund (“BCF”) was set up by the Ministry of Culture, Community and Youth to encourage all to embrace the spirit of SG Cares by giving back to our community as part of the Singapore Bicentennial commemoration in 2019. From 1 April 2019 to 31 December 2020, donations to Institutions of a Public Character (“IPCs”) will be matched dollar-for-dollar through the BCF, up to a cap of \$400,000 per IPC. The administrator for BCF is the National Volunteer and Philanthropy Centre (NVPC). The amount received in 2021 is the first tranche of matching funds for donations from 1 April 2019 to 31 December 2020.

** This grant is received from the Ministry of Social and Family Development (“MSF”) under the Crisis Shelter Programme. The current agreement dated 22 April 2020 between SCWO and MSF is for a period of 3 years from 1 July 2020 to 30 June 2023. The previous agreement was dated 5 July 2017 and was for a period of 3 years from 1 July 2017 to 30 June 2020. The funding is based on the number of clients admitted to the Programme each month. The funding is computed based on 75% of the norm cost per month for each client, and is pro-rated based on the number of days the client stays in the Programme. The norm cost is revised annually. The funding is disbursed on a reimbursement basis. 97% of the funding will be disbursed on a quarterly basis, subject to the meeting of key performance indicators. The remaining 3% of the funding amount will be disbursed at the end of the government financial year, subject to the meeting of key performance indicators.

However, due to the COVID-19 pandemic, the original date may not be viable and the event has now been pushed back to 27 March 2021.

26. DEFERRED GRANTS

(a) Care and Share Grant

This is a matching grant from MSF, a national fund-raising and volunteerism movement for the social service sector, with the objectives of bringing the nation together to show care and concern for the less fortunate; recognise the contributions made by Voluntary Welfare Organisations; and invest in building capability in social service sector to meet future needs. The grant is administered by National Council of Social Service.

The grant is disbursed by MSF based on the qualified donations raised by SCWO - Service Fund using the calculation basis stated in the funding agreement.

The amount of grant recognised as income relates to the amount that is matched with the qualifying expenditures incurred by SCWO - Service Fund during the financial year.

SINGAPORE COUNCIL OF WOMEN'S ORGANISATIONS

26. DEFERRED GRANTS (continued)

(b) Professional Capability Grant

This grant was received from the Ministry of Social and Family Development ("MSF") VWOs - Capability Fund ("VCF") and administered by The National Council of Social Service.

The grant was disbursed to fund the course fees for an employee to acquire recognised Social Work Qualifications. The course lasted over a period of 2 years from January 2018 to December 2019. The first tranche of 50% of the grant was disbursed in February 2018. The second tranche of 40% was disbursed upon completion of the course and submission of documentary proof and the last tranche of 10% will be disbursed upon completion of a 1-year bond.

(c) Heritage Participation Grant

This grant is received from the National Heritage Board ("NHB"), a statutory board of the Singapore government, under the Ministry of Culture, Community and Youth ("MCCY"). The grant is administered by NHB.

The grant is disbursed by NHB to individuals and organisations who wish to start community heritage projects, including but not limited to exhibition on places of historic interest, publication of community related stories, and various heritage programmes and events.

The grant is disbursed by NHB based on the total estimated project cost submitted by the SCWO - Service Fund, capped at a maximum of \$32,800, and subject to the terms and conditions as agreed. The project took place between 2 November 2019 and 19 January 2020.

The event was originally scheduled to take place in October 2021. However, due to the uncertainty caused by the COVID-19 pandemic and the restrictions imposed on exhibitions, we are currently in discussion with The National Museum of Singapore to postpone the event to early 2022. There was an additional grant disbursed by NHB in September 2020 for this project, capped at a maximum of \$37,000 subject to the terms and conditions as agreed.

(d) Tote Board Social Service Fund Grant

(i) Maintenance Support Central

The grant agreement dated 1 April 2017 was between SCWO and the National Council of Social Service (NCSS) as administrator of the Tote Board Social Service Fund. The agreement was for a two-year period from 1 April 2017 to 31 March 2019 and was subsequently superseded by a 2nd agreement dated 1 April 2018 which covers a one-year period from 1 April 2018 to 31 March 2019. The 2nd agreement was superseded by a 3rd agreement dated 1 April 2019 which covers a three-year period from 1 April 2019 to 31 March 2022.

Pursuant to the above Grant Agreement, the grantor, NCSS, agrees to provide funding, based on agreed terms and conditions, for the operations of MSC at 96 Waterloo Street, SCWO Centre, Singapore 187967. MSC operates as a multi-service drop-in centre that provides support and assistance to improve the enforcement of maintenance orders. Through its services, MSC aims to empower clients with knowledge pertaining to their marital rights and provide them all-rounded support together with our community partners.

26. DEFERRED GRANTS (continued)

(d) Tote Board Social Service Fund Grant (continued)

(ii) SCWO - Star Shelter

This grant was received pursuant to the Grant Agreement dated 1 April 2018 signed between SCWO and the National Council of Social Service (NCSS) as administrator of the Tote Board Social Service Fund ("TBSSF") which was for a period of 1 year from 1 April 2018 to 31 March 2019. With effect from 1 April 2019, funding has ceased as the percentage for government co-funded established programmes was scaled down such that government and TBSSF funding does not exceed 75% of Total Operating Expenditure ("TOE") as MSF was funding 75% of TOE during the prior financial year.

(e) Community Chest Charity Support Fund Grant

This grant is received from NCSS to support the Association's initiatives under MSC as a multi-service drop-in centre that provides support and assistance to improve the enforcement of maintenance orders. Through its services, MSC aims to empower clients with knowledge pertaining to their marital rights and provide them all-rounded support together with our community partners.

The Grant Agreement dated 1 March 2018 signed between the Association and NCSS covers a two-year period from 1 March 2018 to 29 February 2020 with yearly funding of \$50,000, subject to terms and conditions as agreed.

(f) Bless Our City Grant

This grant was received from the Central Singapore Community Development Council ("CDC") to help residents of SCWO-Star Shelter specifically in the areas of job upskilling and reskilling.

(g) Sayang Sayang Fund

The Sayang Sayang Fund is a fund driven by the community to support vulnerable communities adversely impacted by the COVID-19 pandemic. The Fund is managed by The Community Foundation of Singapore ("CFS"), who works with community partners and service agencies to identify these vulnerable communities and care recipients. CFS then endeavours to ensure that no one falls by the wayside during this challenging period, by:

- (i) Supporting community-based emergency response funds for marginalised communities adversely affected by the COVID-19 situation.
- (ii) Providing innovation solutions and research to better combat COVID-19.
- (iii) Building capabilities that support charities' operational and/or business continuity processes.

(h) Jobs Support Scheme

The Jobs Support Scheme ("JSS") is a government grant in the form of a wage support scheme to employers to retain local employees during the period of economic uncertainty due to the Covid-19 pandemic.

All Board members of the Association are volunteers and do not receive monetary remuneration for their contribution.

During the financial year, only one (2020: one) of the three highest paid staff received more than \$100,000 but less than \$200,000 in annual remuneration.

30. FINANCIAL RISKS MANAGEMENT

The Association is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks are credit risk, liquidity risk and interest rate risk. The board reviews and agrees on policies for managing each of these risks and they are summarised below:

(i) Credit risk

Credit risk is the potential risk of financial loss resulting from the failure of customers or other counterparties to settle their financial and contractual obligations to the Association as and when they fall due.

The Association's main financial assets consist of cash and cash equivalents and fixed deposits with financial institutions. Cash and bank deposits are placed with financial institutions which are regulated.

At the balance sheet date, there was no significant concentration of credit risk. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the balance sheet.

Recognition of expected credit losses (ECL)

The Association's financial assets that are subject to credit losses where the expected credit loss model has been applied are receivables.

The Association assesses on forward looking basis the expected credit losses on its receivables, and recognises a loss allowance in accordance with FRS 109.

Based on the Association's historical collection trend, all outstanding receivables are generally settled on demand and there is a low risk of default. Receivables are assessed on a collective basis to determine whether there are changes in credit risk. Lifetime expected credit losses are recognised for specific receivables for which credit risk is deemed to have increased significantly.

30. FINANCIAL RISKS MANAGEMENT (continued)

(i) Credit risk (continued)

Based on the management's assessment, there is no significant ECL on the Association's receivables as at balance sheet date.

(ii) Liquidity risk

Liquidity risk is the risk that the Association will encounter difficulty in meeting financial obligations due to shortage of funds.

The Association monitors its liquidity risk and maintains a level of cash and cash equivalents deemed adequate to finance the Association's operations and to mitigate the effects of fluctuations in cash flows.

The table below summarises the maturity profile of the Association's financial liabilities at the balance sheet date based on contractual undiscounted payments.

	<u>Within 1 year</u>	<u>More than 1 year but less than 5 years</u>	<u>Total</u>
	\$	\$	\$
<u>2021</u>			
Payables	156,596	-	156,596
Lease liabilities	8,346	15,194	23,540
	164,942	15,194	180,136
<u>2020</u>			
Payables	118,678	-	118,678
Lease liabilities	5,243	7,490	12,733
	123,921	7,490	131,411

(iii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Association's financial instruments will fluctuate because of changes in market interest rates.

The Association does not have any interest-bearing financial liabilities. Its only exposure to changes in interest rates relates to interest-earning bank deposits. The Association monitors movements in interest rates to ensure deposits are placed with financial institutions offering optimal rates of return.

The interest rates and terms of maturity of financial assets of the Association are disclosed in note 17 to the financial statements.

31. FAIR VALUE OF FINANCIAL ASSETS AND LIABILITIES

The carrying amounts of cash and bank balances, fixed deposits with financial institutions, receivables and payables approximate their fair values due to their short term nature.

The fair value of lease liabilities is estimated using the expected future payments discounted at the incremental borrowing rate as disclosed in note 24 to the financial statements.

32. FINANCIAL INSTRUMENTS BY CATEGORY

The aggregate carrying amounts of financial instruments by category, as specified in FRS 109, as at balance sheet date are as follows:

	<u>2021</u>	<u>2020</u>
	\$	\$
Financial assets at amortised cost	2,933,962	2,662,302
Financial liabilities at amortised cost	142,838	113,407

33. RESERVES MANAGEMENT

The Association's reserves management objective is to safeguard the Association's ability to continue as a going concern and to maintain an optimal reserve in order to support its operations and principal activities.

The Association aims to maintain its reserves at a level equivalent to at least 3 times the current annual operating expenses. The Association regularly monitors its cash flows and manages its funds to ensure that they are adequate to fulfill continuing obligations.

The funds in notes 19 to 23 are designated or restricted funds to be used only for specified purposes.

The Association is not subject to externally imposed reserve requirements.

There were no changes to the Association's approach to reserves management since the previous financial year.

34. FUND-RAISING APPEAL

During the financial year, the Association did not conduct any fund-raising appeal which requires disclosure in accordance with Regulation 7 of the Charities (Fund-raising Appeals for Local and Foreign Charitable Purposes) Regulations 2012.

35. SUBSEQUENT EVENTS

The Association has been approved as an Institution of a Public Character ("IPC") under the Charities Act (Cap.37) ("the Act") with effect from 3 May 2021 to 2 May 2023.

36. AUTHORISATION OF FINANCIAL STATEMENTS

These financial statements were authorised for issue by the SCWO Board on **25 MAY 2021**
